

# John J. Day

State Representative • District 100

June, 2000

Dear Friend,

When visiting around the district people will often ask a question and then say, "who can I call about this concern?"

On the *reverse side* of this letter is a list of community and health centers, local services, law enforcement and school numbers.

Also for this summer season, and other times, is a list of some of our state parks for your enjoyment.

All the best,

**Rep. John J. Day**  
**200 W. Washington St.**  
**Indianapolis, IN 46204**  
**232-9600**
